

Just Peachy Cafe

Just Peachy Cafe began serving Shelby County in November of 2019. Charity Elliott, along with her husband, Chad, their family, friends, and loyal staff have worked hard to bring a unique gathering place to their hometown.

Charity says having a restaurant is as much about the people as it is about the food. She loves sharing special events, as well as, every day lunches with her guests.

The building at 52 E Washington St has been standing for well over 100 years. Over the last century, this building has been the home to a flower shop, a tavern, a bar, a restaurant, a shoe repair shop, and, back in 1892, it was Sindlinger Meat Market. For more history on the buildings of Shelby County, visit the Grover Museum on Broadway St.

Thank you for allowing us to be a part of your day!

Stay Peachy!
